intentionally better products

SEAT-MATE™

- Protects the interior of the vehicle from potential spills, grease and dirt with Strong and Effective Protection
- Produced from a specially formulated resin, this seat cover has an unusually high strength to weight ratio.
- This Tufflene™ formula has a built-in stretch to help prevent tool punctures and rips
- Available in a variety of thicknesses and quantities to meet your client's needs

FLOOR-MATE™

Floor-Mate™ will give you results where you need them the most, in customer service satisfaction. Surveys show that interior service soils are the single most frequent complaint by service customers. Use the floor mats as the foundation of your dealership's own premium "Clean Car Program".

THE BARRIER™

- High absorbing paper on top and a coated bottom that is resistant to moisture

ECO-BARRIER™

- Made from 100% recycled fibers of post-consumer products in a toxic free process. This bio-degradable, "green" mat does its part in protecting the environment

EMBOSSSED

- Heavyweight premium paper coated on both sides. Embossed for added texture and strength

PLASTIC FLOOR-MATE™

- 100% plastic barrier will not let liquids penetrate this co-extruded floor-mate

TIRE-MATE™

TIRE BAGS

- Three-ply tire bags that are available in 3 popular sizes to accommodate most tires
- Ideal for transporting your tires while keeping the interior of your vehicle clean

WHEEL-MATE™

- The ultimate in steering wheel protection.
- Elasticized on both sides
- Resistant to oil, grease and most chemicals
- Gear shift knob covers

KEY TAGS

- The most popular key tag on the market
- Large specially treated surface for easy writing
- Durable and tear resistant
- Available in 3 colors for easy identification

PARTS-MATE™

- Tough poly bags are handy for quick packaging of miscellaneous small parts
- 1 roll of 500 per case
- Battery/Core Bags - Acid Resistant

SERVICE DISPATCH NUMERALS

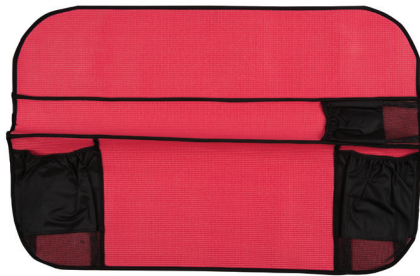

- Made of thick card stock with a die-cut slot
- Perforated key tag and claim check
- Perfect size to write on
- Available from 000-9999

SERVICE REMINDER STICKERS

- Assorted sizes and customization available
- Clings to most surfaces and removes without residue
 - Printer is stand-alone. Easy to operate and pre-programmed with dealer information.
 - Customized proprietary software is available
 - Write on service reminders available
 - No smears or smudges or handwriting issues

FENDER-MATE™

Scratch Free Service

- A new chemical resistant three-ply no slip foam with soft fabric piping
- Acid, grease and scratch protection
- Handy ridge for tools with three convenient pockets is far superior to all others
- Can be custom printed (minimum quantity applies)
- Available Colors: Black, Blue, or Red

KEY DROP BOX

- Convenient after-hours metal key drop box
- Key drop box envelopes (sold separately)

DISPENSER STAND

- This stand will accommodate most service protective products with ample room for storage on top and bottom shelves
- Self-locking wheels make the stand mobile across the service shop and saves time

WALL MOUNT DISPENSER

- Easy to use
- Space saver
- Will accommodate any roll length

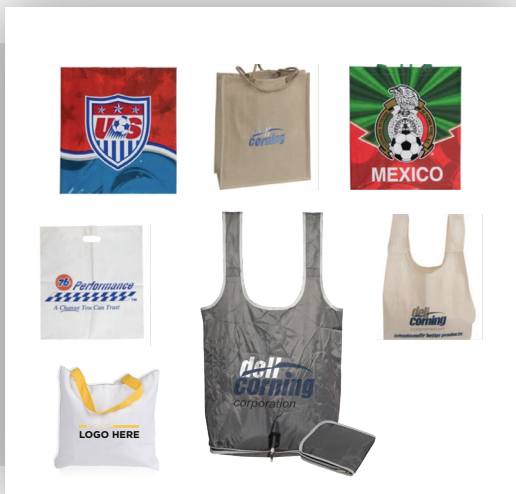

CLEAN PRO PADS

Cleaning Pad & Sponge in One

- Simply soak the pad with water, gently squeeze out the excess water and clean with the white side, using minimal pressure
- Clean Pro is designed to wear out with use as it works out stains from within the pores of smooth and hard surfaces.
- Once you use the Clean Pro you will never go back to regular sponges again

REUSABLE BAGS

Sustainable Reusable Bags - Eco Friendly

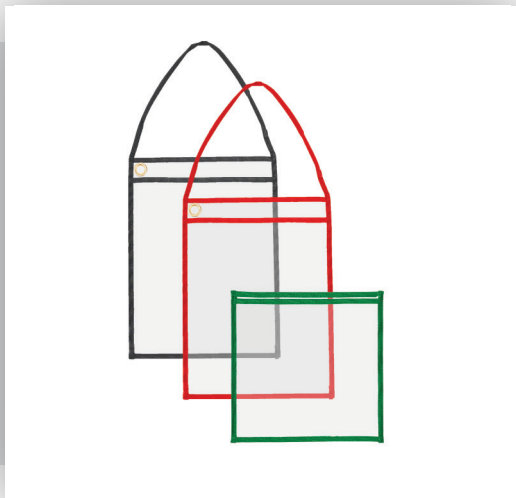

- Custom bags for Trade Shows and Customer Gifts
- HEAVY DUTY BAGS: These bags are made from super strong and sturdy laminated polypropylene giving them extra carrying capacity
- TOTE BAGS: Made from Non-Woven Polypropylene. Ideal for wine stores, liquor stores, supermarkets and more
- ZIPPER TOTES: Proprietary Dell Corning design. Foldable zipper bag made from durable nylon material. Multi-use with zipper closure

TRASH BAGS
